WELCOME TO MARKETPLACE FOR KIDS

Marketplace for Kids received many ideas from you for our THEME! **Let The Gears of Innovation INSPIRE YOU**! This is our second year using this theme…it is now time for you to help us develop the THEME for the school year 2017-2018. Brainstorm ideas in your classroom and email them to robert.heitkamp@marketplacend.org. If you have ideas for the artwork, send that as well! We will announce the new theme in the fall of 2017.

We have read your report cards from last year. We love hearing your ideas! Please keep sending them!

YOU ASKED FOR…

…More information on the website just for kids.

We are in the process of adding a Students Only Link! Please stay tuned for an announcement.

IN DEDICATION TO MARILYN KIPP 28 YEARS OF SERVICE

Welcome to the 22nd consecutive year of Marketplace for Kids. This is a very special year for two reasons. First and foremost we are dedicating this entire year to the person that started it all, Marilyn Kipp! She started with an idea and a few supporters 28 years ago by creating Marketplace of Ideas. Then in 1995 (22years ago) she started the program we see today, Marketplace for Kids! Her tireless efforts have grown the program into 11+ sites across North Dakota and drawing students from four states. We graciously thank Marilyn for everything she has done AND is still doing for this wonderfull program!

The second reason is this is my first year as ONLY the 2nd Executive Director ever. I promise to dedicate my very best to ensure that Marketplce for Kids is here for all of you and all that follow your wise steps to look into the future of Entrepreneurship.

I would like to thank everyone involved in helping us bring Marketplace for Kids to YOU, including the staff in our new office-Linda and Barb for all of their help in getting the new office location up and running.
Have a GREAT & FUN year at Marketplace.

Sincerely,

Robert Heitkamp

Robert Heitkamp
Executive Director

Shannon Teigen
Owner of Little Coyote Coffee

Coffee lovers, Curt and Shannon Teigen, had no idea their hobby would take them any farther than their countertop roaster listening for the 2nd crack of the coffee beans tumbling inside their small machine's drum. Sharing their finished product with family and friends, they were amazed how many others appreciated the taste of a "really good cup of coffee". Today the 100% Arabica beans are still carefully selected and roasted on demand in micro-batches and packaged by hand.

Curt Teigen, broadcaster by day, and master roaster by night, began experimenting with different roasting profiles and a variety of beans to develop a line of coffees that provide a wide selection for coffee lovers whether they enjoy the milder cup of the Breakfast Blend or the stout flavor of the Bunkhouse Blend which is the darkest LCC blend yet. Shannon Teigen, marketer by day, stepped into the role of sales and marketing. Before long Little Coyote Coffee had grown into the thriving micro-batch roasting company it is today. In January 2014 Little Coyote Coffee moved again to the Roasting Cabin nestled in a quiet rural area just north of Devils Lake, ND.

NATIONAL ANTHEM

Oh, say can you see, by the dawn's early light,
what so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, through the perilous fight, o'er the ramparts we watched, were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
gave proof through the night that our flag was still there.
O say, does that star-spangled banner yet
wave o'er the land of the free and the home of the brave!

Marketplace for KIDS

Igniting the Spirit of Innovation!

Marketplace for Kids started in 1995 as a pilot. Elementary teachers from Jamestown, Fargo, West Fargo and other areas met in Jamestown to design a concept that would encourage students to showcase their innovative ideas and attend age appropriate experiential classes of all types. The Advisory Leadership Team for the pilot selected Jamestown as the site. Over 600 students/teachers/advisors participated that first year. The Team deemed the Education Day as a big success. In year 1997 the regional concept was developed, suggesting that **Marketplace for Kids** would expand as interest grew. In 2015 twelve Education Days will be held.

The first **Marketplace for Kids** in Devils Lake was held on Monday, March 17, 2003 at Lake Region State College. Devils Lake DJ's, Chris Breinland and Tina Austin, opened the day with a variety of musical selections and the highlights of the day. Arne Berg, Chairman of the Ramsey County Commission, was the closing speaker. The ROTC of Devils Lake High School presented the colors and Corrine Corbet and Jessica Monette, Devils Lake High School, sang the National Anthem.

During the Opening Rally – Marvel Comics and Wal-Mart surprised the students with a special guest appearance of "Spider Man".

During the day, students attended a variety of classes/activities. Students from Bisbee, Langdon, Devils Lake, Rock Lake, Minnewaukan and Leeds participated.
