

Presenters and Volunteers Needed for Educational Classes and Activities!

Marketplace for Kids is a unique program for students in grades three through eight. It provides young people with a forum to showcase and explain their projects demonstrating entrepreneurship, creativity, problem solving, and innovation.

Marketplace for Kids provides classes and educational activities to help young people develop business skills, enhance personal development, and explore career options and the latest in technology.

Marketplace for Kids demonstrates the special role youth play in improving the economic future of their community.

Listed Below are Volunteer Opportunities for this Exciting Program!

Education Activities

Each Education Day will have activities that showcase programs such as *Robotics*, *Dance Dance Revolution*, *Let's Get Fit!*, and *Exploring Parks and Recreation*.

Opening/Closing Rallies

If you are interested in singing the National Anthem, Presenting the Colors, being a guest speaker, or performing in the Opening and Closing Rallies.

Information Centers

Information Centers are set up in several locations. Volunteers help by providing directions, distributing materials, and providing much needed information to our students, teachers, and visitors.

Project Hall Monitors

Volunteers assist with set up of the project floor and assist students with move-in and setting up their projects. You also walk the floor during showcase hours to answer questions and help with directions.

Classroom Monitors

Duties include assisting presenters with their classroom needs, observing the classes, and completing an evaluation.

Class/Activity Presenters

We are always looking for people skilled in presenting hands-on classes or activities to students in Grades 3 - 8! We have a list of needed class topics for every venue.

Careers on Wheels

Careers on Wheels brings together numerous professions in a fun, outdoor environment. Examples of professions include Law Enforcement, Oil Industry, Ambulance, Implement and Car Dealers, Airport Equipment, Snow Removal, Concessions, Body Shops, Fire Trucks, and the list goes on. **Jamestown, Grafton, Bismarck, and Northwood will include Careers on Wheels in the curriculum for the Education Day.**

Ushers/Guides

As an Usher/Guide, you help provide directions, answer questions, and monitor halls, display areas, and other common areas.

Ribbon Distribution

Students present and showcase their entrepreneurial projects (business/invention model). All project students are recognized for their efforts. We are looking for community leaders to help distribute ribbons, visit with students, and thank them for their innovation.

Groups and Organizations Can Volunteer

If you are interested in volunteering your time and talent to Marketplace for Kids, please contact us today! **We encourage Student Groups** such as FFA, DECA, 4-H, **and other organizations** such as RSVP, and Red Hat Societies to think about spending time with our students!

Wonderful Opportunity for Student Groups

Videographers/photographers needed! Teams are needed in Williston, Minot, Bottineau, Northwood, Grafton, Devils Lake, Fargo, Wahpeton, Jamestown, Bismarck, and Dickinson.

Marketplace for Kids needs students in high school or college interested in preparing the Tribute Video for the closing rallies, take photos and video of students in action, and interview students with their projects.

This is a wonderful opportunity for student groups to earn a stipend to be used for a competition or project.
