Class List and Description

A. Social Skills Superpowers – Social Media Literacy

Social media isn't going anywhere. With the dawn of digital media and evolution of technological spaces, students need to become literate in navigating these spaces. This class will give kids the tools to thoughtfully engage with and proactively use social media.

B. Lessons About Your Money

The more you know about how to make money, how to save money, and how to spend money, the less likely it is that you will have money problems as an adult. Do you know people who never seem to have enough money? If you don't want to live that way, listen up. We have some good information to share with you today. Students will get the opportunity to look at and learn about foreign currency.

C. Smart Farming Practices

Learn about smart farming practices. Discuss new technologies being introduced into the agriculture industry that allow farmers to operate more efficiently.

D. Bomb Squad

The Red River Valley Regional Bomb Squad is responsible for examining, removing and the disruption of energetic materials deemed to be unsafe. The Bomb Squad is equipped with robots, protective equipment, and other tools to make sure any dangerous materials are handled in a safe way. The Bomb Squad also assists with the Red River Regional SWAT team with criminal apprehension.

E. STEAM to Entrepreneurship

How STEAM can lead to Entrepreneurship by problem-solving and using critical thinking.
