Marketplace for Kids Virtual Education Days

Marketplace for Kids has implemented a Virtual Education Day format to reach students in regions and schools that are unable to attend our In-Person Education Days due to distance.

These Virtual Education Days will be available to any Students that cannot attend due to “A Health Reason or Quarantine Restrictions as well”!! **Please call our office to request access for these students!**

The new version will consist of 20-25 minute class videos that students are able to watch at school or home while continuing to offer the same educational program of classes, presenters, and hands-on learning in a re-imagined environment.

Educators with Students presenting projects via a recorded video will be reimbursed from the state per project.
