EMCEE's:

Opening Welcome: Jenny Olson

My initial 18-year experience at Microsoft spanned a variety of global roles across Communications, Marketing, Organizational & Leadership Development, Program & Change Management. And then I was blessed

with the opportunity to create the Office of Recovery Reinvented for the state of ND. Partnering with Governor Doug Burgum and First Lady Kathryn, the Office of Recovery Reinvented non-profit works to reinvent recovering by eliminating the shame and stigma of addiction and empowering our communities. After 4 1/2 year's I went back in June of 2022 as the Microsoft Fargo Site Leader. I work to ensure all team members can thrive, and enjoy representing Microsoft locally and statewide. I like to laugh while I think, spread joy like confetti, and bring energy to every experience.

FEATURED SPEAKER: Daniel Gannarelli

Daniel Gannarelli is from Rugby, ND and a 2014 Graduate of the University of North Dakota. Currently he is the Major Gifts and Sponsorship Officer for the Theodore Roosevelt Medora Foundation.

Daniel loves speaking to young people and executives about the concept of going from wonder to wonder in your life and career. His principals are rooted in lessons learned from over 1,000 conversations with CEO's and entrepreneurs across the country and his Catholic faith. He enjoys reading, skiing, golfing, and learning from mistakes.
