## WELCOME TO MSU: Dr. Brian Van Horn President

Welcome to the participants of 2022

Marketplace for Kids!

Mayville State University is excited for the opportunity to host Marketplace for Kids again this year. On behalf of the entire campus, I extend a warm welcome to the young emerging entrepreneurs, teachers, parents, and other guests to our campus.

Mayville State recognizes the importance of innovation and education across North Dakota and this is a wonderful opportunity to expose our youth to potential careers and entrepreneurial opportunities right in their own back yards.

It is our privilege to touch the future by hosting this event and providing opportunities for young people to spend time on the Mayville State campus. I look forward to the buzz of activity that will no doubt overtake the campus as the entrepreneurs and leaders of the future experience Marketplace for Kids and Mayville State University. I can almost hear the wheels spinning already!

Sincerely,

*Brian Van Horn*

### NATIONAL ANTHEM

Oh, say can you see, by the dawn's early light, what so proudly  
we hailed at the twilight's last gleaming? Whose broad stripes  
and bright stars, through the perilous fight, o'er the ramparts we  
watched, were so gallantly streaming? And the rocket's red  
glare, the bombs bursting in air, gave proof through the night  
that our flag was still there. O say, does that star-spangled  
banner yet wave o'er the land of the free and the home of the  
brave!
