Welcome to Mayville State University and the
2025 Marketplace for Kids!

We at Mayville State are excited for the opportunity to host Marketplace for Kids again this year. On behalf of the entire campus, I extend a warm welcome to all. We are happy to have young emerging entrepreneurs, teachers, parents, and other guests on our campus.

Mayville State recognizes the importance of innovation and education across North Dakota. This event gives a wonderful platform where youth can be exposed to potential careers and entrepreneurial opportunities right in their own back yards.

It is our privilege to touch the future by hosting this event and providing opportunities for young people to learn and grow. I look forward to the buzz of activity that will no doubt overtake the campus as the entrepreneurs and leaders of the future experience Marketplace for Kids and Mayville State University. NATIONAL ANTHEM

Oh, say can you see, by the dawn's early light, what so proudly
we hailed at the twilight's last gleaming? Whose broad stripes
and bright stars, through the perilous fight, o'er the ramparts we
watched, were so gallantly streaming? And the rocket's red
glare, the bombs bursting in air, gave proof through the night
that our flag was still there. O say, does that star-spangled
banner yet wave o'er the land of the free and the home of the
brave!
