NATIONAL ANTHEM

Oh, say can you see, by the dawn's early light, what so proudly
we hailed at the twilight's last gleaming? Whose broad stripes
and bright stars, through the perilous fight, o'er the ramparts we
watched, were so gallantly streaming? And the rocket's red
glare, the bombs bursting in air, gave proof through the night
that our flag was still there. O say, does that star-spangled
banner yet wave o'er the land of the free and the home of the
brave!
