

# SPEAKERS

<b>WELCOME:</b> <b>US SENATOR John Hoeven</b> (video message)	<b>EMCEE:</b> <b>Samuel Green</b>
 <p>John Hoeven currently serves as North Dakota's 22<sup>nd</sup> U.S. Senator following ten years of service as the state's Governor. As Governor, Hoeven worked to build North Dakota's future by focusing on six pillars of growth: education, economic development, agriculture, energy, quality of life and technology. He believes a commonsense approach that fosters free enterprise and empowers people to innovate and invest will strengthen our national economy and create jobs for our country in a sustainable, ongoing way. Senator Hoeven and his wife Mikey have two children and seven grandchildren.</p>	<p>Samuel Green is a senior at Grafton High School. Next year, he will attend North Dakota State University Agribusiness. Sam is the Senior Class President and the President of the Grafton FFA Chapter. He is an active member in school and serves on the National Honor Society in addition to playing baseball.</p> 
	<b>OPENING WELCOME:</b> <b>Jennifer Dusek</b>
<b>FEATURED SPEAKER:</b> <b>Dawn Mandt</b>   <p>Dawn brings nearly 30 years of rural development experience in North Dakota and first joined the RRRC in 1993. She has served in the roles of Disaster Recovery Coordinator, Economic Developer, SBDC Regional Director, Business Development Director and Funding Strategist prior to becoming the RRRC's Executive Director in 2013. Dawn has a Bachelor of Arts in business administration/economics and history/political science and a Master of Arts in leadership both from the University of Jamestown.</p>	<p>Jennifer Dusek is a dedicated Community Development Director for the City of Grafton. She is responsible for overseeing a wide range of incentive programs and projects aimed at enhancing the quality of life for residents, marketing the City, and improving the business district. She is Vice President of the Grafton Area Chamber of Commerce, Career Builders Board Member, and Grafton Beautification Committee Member.</p>

## Park River School Miss Pifer

### 1 Max: A Tale of Acceptance

We wrote a book for 1st graders with the lesson of not judging others before you get to know them.

Mackenzie A, Lily A

### 2 Better 2 Go

We modified a 224cc Predator engine for a go-kart to improve durability and speed.

Leif A, Evan D, Wyatt J

**3E Creative Cartoons: Time Lapsing and its Motion Magic**  
As an aspiring animator, I wanted to demonstrate my use of an animation program to create a time lapse video.  
Rebecca J

**4 Seagull: An App for Bering Sea Fishing**  
I would create an app that helped fisherman navigate fishing in the Bering Sea. With my app Seagull, fishermen could look up important information on types of fish, fishing locations, and more.
