OPENING WELCOME:
Jenny Olson

My initial 19-year experience at Microsoft spanned a variety of global roles across Communications Marketing, Organizational & Leadership

Development, Program & Change Management. And then I was blessed with the opportunity to create the Office of Recovery Reinvented for the state of ND. Partnering with Governor Doug Burgum and First Lady Kathryn, the Office of Reinvented non-profit works to reinvent recovery by eliminating the shame and stigma of addiction and empowering our communities. After 4 ½ year's I went back in June of 2022 as the Microsoft Fargo Site Leader. I work to ensure all team members can thrive and enjoy representing Microsoft locally and statewide. I like to laugh while I think, spread joy like confetti and bring energy to every experience.
